MUSIC FOR THE LITURGY

The liturgy is designed to evolve from sadness and grief to the joy of resurrection. So make choices that will inspire guests to mourn your loved one's passing, give thanks for their life here on earth, and celebrate their eternal life.

You may choose up to four selections; though feel free to pick fewer if you wish. The Director of Music Ministry will put them in the appropriate order. Here are some of the most popular for you to consider. A larger selection may be found on the **Funeral** page at music@ihmbrooklyn.org, as well as audio samples for you to listen to. Of course, neither of these is a definitive list, so if some other song has special meaning to you, please contact the rectory as soon as possible to determine if it's possible, and if there's enough time to prepare it. Though if it's not liturgically appropriate according to the principles explained on our website's **Music Guide**, perhaps it may be best enjoyed at the Funeral Home or at a luncheon reception following.

If you are printing a memorial program, these selections appear on our website exactly as they should be printed, with titles in italics and either the composer's first initial and last name in your regular font, or the hymn tune in SMALL CAPS. For a more professional look, PDF's of the music may be emailed to you so you can drop them into your program layout. And we're happy to proofread it in advance, to ensure your lasting memento is appropriately accurate. So if we can be of further assistance in helping you prepare this liturgy, please contact the rectory at (718) 871-1310.
